

ARRESTED MASTER UNIV DJELFA 2022/2023

No.	Faculty/Institute	Domain	Cycle	Sector	Title of specialty
1	Science & technology	Science & technology	Master	mechanical Engineering	renewable energy in mechanics
2	Science & technology	Science & technology	Master	electrical engineering	renewable energy in electrical engineering
3	Exact sciences & computer science	Science of matter	Master	Chemistry	materials chemistry
4	SHS	SHS	Master	Social Sciences -Psychology	Clinical Psychology
5	SNV	SNV	Master	Geography and land use planning	Urban planning
6	Science & technology	Science & technology	Master	Automatique	automatic and systems
7	Science & technology	Science & technology	Master	Electromechanical	Electromechanical
8	Science & technology	Science & technology	Master	Electromechanical	Industrial maintenance
9	Science & technology	Science & technology	Master	Electronic	electronics of embedded systems
10	Science & technology	Science & technology	Master	Electrical engineering	electrical controls
11	Science & technology	Science & technology	Master	Electrical engineering	Industrial electrical engineering
12	Science & technology	Science & technology	Master	Electrical engineering	Electric machines
13	Science & technology	Science & technology	Master	Electrical engineering	Electrical networks
14	Science & technology	Science & technology	Master	Biomedical genius	biomedical instruments
15	Science & technology	Science & technology	Master	Civil Engineering	Geotech
16	Science & technology	Science & technology	Master	Civil Engineering	Materials in civil engineering
17	Science & technology	Science & technology	Master	Civil Engineering	Structures
18	Science & technology	Science & technology	Master	Mechanical Engineering	Mechanical construction
19	Science & technology	Science & technology	Master	Mechanical Engineering	Energy
20	Science & technology	Science & technology	Master	Hydraulic	Hydraulic works
21	Science & technology	Science & technology	Master	Telecommunications	networks and telecommunications
22	Science & technology	Science & technology	Master	Telecommunications	telecommunications systems
23	Science & technology	Science & technology	Master	public works	roads and works of art
24	Exact sciences & computer science	Material sciences	Master	Chemistry	Analytical Chemistry
25	SNV	SNV	Master	Geography and land use planning	Cities, spatial dynamics and management
26	SNV	SNV	Master	Geography and land use planning	rural planning and sustainable development
27	Law & Political Science	Law & Political Science	Master	Right	Criminal law and criminal sciences
28	Law & Political Science	Law & Political Science	Master	Right	State and institutions
29	Law & Political Science	Law & Political Science	Master	Right	Business Law
30	Law & Political Science	Law & Political Science	Master	Right	Family law

31	Law & Political Science	Law & Political Science	Master	Right	Public International Law
32	Law & Political Science	Law & Political Science	Master	political Sciences	Public policies
33	Law & Political Science	Law & Political Science	Master	political Sciences	Strategic and security studies
34	Human & social sciences	Human & social sciences	Master	Humanities - History	History of the resistance and the Algerian national movement
35	Human & social sciences	Human & social sciences	Master	Humanities - History	History of the Muslim West in the Middle Ages
36	Human & social sciences	Human & social sciences	Master	Human sciences - Information and communication sciences	Audio-visual
37	Human & social sciences	Human & social sciences	Master	Human sciences - Information and communication sciences	Communication and public relations
38	Human & social sciences	Human & social sciences	Master	Social Sciences - Sociology	Sociology of education
39	Human & social sciences	Human & social sciences	Master	Social Sciences - Sociology	Sociology of organization and work
40	Human & social sciences	Human & social sciences	Master	Social Sciences - Sociology	Sociology of communication
41	Human & social sciences	Human & social sciences	Master	Social Sciences - Psychology	School Psychology
42	Human & social sciences	Human & social sciences	Master	Social Sciences - Psychology	Psychology of work, organization and human resources management
43	Human & social sciences	Human & social sciences	Master	Social Sciences - Philosophy	General philosophy
44	Human & social sciences	Human & social sciences	Master	Humanities - Archeology	Islamic archeology
45	Letters, languages and arts	Letters and foreign languages	Master	French language	language sciences
46	Letters, languages and arts	Letters and foreign languages	Master	English language	Didactics of foreign languages
47	SECG	SECG	Master	Financial Sciences and Accounting	finance and banking
48	SECG	SECG	Master	Financial Sciences and Accounting	accounting and auditing
49	SECG	SECG	Master	Financial Sciences and Accounting	in-depth accounting and taxation
50	SECG	SECG	Master	Commercial Sciences	finance and international trade
51	SECG	SECG	Master	Commercial Sciences	bank marketing
52	SECG	SECG	Master	Commercial Sciences	services marketing
53	SECG	SECG	Master	Management Science	budget management
54	SECG	SECG	Master	Management Science	entrepreneurship
55	SECG	SECG	Master	Management Science	Human Resource Management
56	SECG	SECG	Master	Economic science	monetary and banking economy
57	SECG	SECG	Master	Economic science	quantitative economics
58	Literature, languages and arts	Arabic language and literature	Master	Linguistic studies	Arabic linguistics
59	Literature, languages and arts	Arabic language and literature	Master	Linguistic studies	linguistics of discourse
60	Literature, languages and arts	Arabic language and literature	Master	Literary studies	ancient arabic literature

61	Literature, languages and arts	Arabic language and literature	Master	Literary studies	modern and contemporary Arabic literature
62	Literature, languages and arts	Arts	Master	Performing Arts	film and audiovisual criticism
63	Literature, languages and arts	Arts	Master	visual arts	plastic review
64	SNV	Natural and life sciences	Master	Biotechnology	plant biotechnology
65	SNV	Natural and life sciences	Master	Ecology and environment	animal ecology
66	SNV	Natural and life sciences	Master	Ecology and environment	plant ecology and environment
67	SNV	Natural and life sciences	Master	Agricultural Sciences	water and environment
68	SNV	Natural and life sciences	Master	Agricultural Sciences	rural economy
69	SNV	Natural and life sciences	Master	Food Science	food and quality control
70	SNV	Natural and life sciences	Master	Food Science	product quality and food safety
71	SNV	Natural and life sciences	Master	Biological Sciences	applied microbiology
72	SNV	Natural and life sciences	Master	Biological Sciences	parasitology
73	STAPS	STAPS	Master	adapted physical activity and sports	competitive adapted physical and sports activity
74	STAPS	STAPS	Master	Educational physical and sports activity	physical activity and school sports
75	STAPS	STAPS	Master	sports training	elite sports training
76	Exact sciences & computer science	Science of matter	Master	Chemistry	applied chemistry
77	Exact sciences & computer science	Science of matter	Master	Chemistry	Organic chemistry
78	Exact sciences & computer science	Science of matter	Master	Physical	condensed matter physics
79	Exact sciences & computer science	Science of matter	Master	Physical	physics of materials
80	Exact sciences & computer science	Science of matter	Master	Physical	energy physics and renewable energies
81	Exact sciences & computer science	mathematics & computer science	Master	Computer science	distributed networks and systems
82	Exact sciences & computer science	mathematics & computer science	Master	Computer science	image and speech processing and analysis
83	Exact sciences & computer science	mathematics & computer science	Master	Computer science	artificial intelligence and its applications
84	Exact sciences & computer science	mathematics & computer science	Master	Math	functional analysis
85	Exact sciences & computer science	mathematics & computer science	Master	Math	partial differential equations
